MEMO ENDORSED

August 23, 2023

As explained on pages 7-8 of the Court's August 7, 2023 order (docket entry no. 30), Plaintiff's request to proceed anonymously is denied, and Plaintiff must file all materials in this case on the public docket. However, Plaintiff is permitted to redact from his public filings any portions of documents that refer to the categories of sensitive information set out in Federal Rule of Civil Procedure 5.2. Plaintiff is also permitted to make further redaction requests by (1) providing the Court with full electronic copies of the exhibits which he seeks to file under seal, (2) indicating with colored highlighting which portions of those exhibits he seeks to redact from the public filings, and (3) providing a specific explanation for the requested redactions. The deadline for Plaintiff to make such public filings and redaction requests is hereby extended to September 5, 2023. DE 31 is resolved. SO ORDERED./s/ Laura Taylor Swain

RE: Doe v. Stanford et. al.

23-CV-01827 LTS

Request for Clarification and Extension of Time

Request 1

Your Honor:

I regret that my first letter to the Court is a request; and that my response to an order is tardy. My apologies, for this is not my manner, I had been a homicide trial for most of the summer and begin hearings in another tomorrow.

I have conferred with my adversary and there is no objection to my request.

I seek clarification on the order reflected in Document 30 (attached), so that I may attend to the direction of the Court.

The order reads "Motion to proceed anonymously is denied. Plaintiff shall refile his materials in this case (except for the exhibits referred to in the following sentence) on the public docket using his full name within 7 days of the entry of this Order... There is no following sentence and thus my request for clarification. I have reviewed the Court's individual practice rules and Federal Rule of Civil Procedure 5.2. Is there further direction?"

My second request is that I may have all filed by Monday, as I am in hearings again in another homicide beginning tomorrow.

Assistant Attorney General Daniel Kirschbaum and I are working diligently together and we hope to have a logical resolve. I look forward to your direction.

Most respectfully,

Stacey Richman
